

APPENDIX E-169 P
GFMCF INQUIRY TRANSACTION

1. FORMS/REPORTS USED

Appendix B-169, GFMCF Inquiry Transaction, DIC ZNK.

2. REASON/CRITERIA FOR PREPARATION

This procedure is applicable only to DSCP-T. This transaction is used to obtain information from the GFM Control File, described in chapter 13, as may be required by various procedures described in that chapter of the volume.

3. RESPONSIBLE ORGANIZATIONAL ELEMENT

This is a multipurpose GFMCF Inquiry Transaction which may be used by any processing personnel/organizational element, assigned an ORC, and having a need-to-know.

4. PROCEDURES FOR PREPARATION OF FORM

a. PREPARATION OF FORM

(1) The GFMCF Inquiry Transaction is prepared as outlined in appendix B-169. The following are the mandatory entries for Inquiry Code 10:

- (a) Positions 1-3 - ZNK
- (b) Positions 4-6 - RIC of DSC
- (c) Positions 8-9 - 10
- (d) Positions 11-15 - PGC
- (e) Positions 79-80 - ORC

For a printout of all Contract Numbers for the PGC, appendix F-461, use Inquiry Code 10.

(2) The following field positions are used with Inquiry Codes 11 and 12.

- (a) Positions 1-3 - ZNK
- (b) Positions 4-6 - RIC of DSC

(c) Positions 8-9 - Inquiry Code. Enter 11 if inquiry is by Contract or Identification Number. Enter 12 if inquiry is by Manufacturing Directive Number.

(d) Positions 17-29 - Contract/Identification Number. Enter the end item Contract Number for which data is required if pos. 8-9 is 11, or leave blank.

(e) Positions 31-34 - Call/Order Number. Enter the Call/Order Number for the contract in pos. 17-29 if applicable. Otherwise, leave blank.

(f) Positions 36-38 - Manufacturing Directive Number. Enter the MDN for which data is required if pos. 8-9 is 12, or leave blank.

(g) Positions 40-64 - Reason for Inquiry. Enter the reason the F-461A is being requested, or leave blank.

(h) Positions 79-80 - ORC

b. DISTRIBUTION OF FORM/REPORT

(1) Response to Inquiry Code 10 will be in the format of appendix F-461 B, GFM Control File Printout and will be distributed to the ORC in the input transaction.

(2) Response to Inquiry Code 11 and 12 will be in the format of appendix F-461 A, GFM Control File Printout and will be distributed to the ORC in the input transaction.

5. PROCEDURES/INSTRUCTIONS FOR PROCESSING RESPONSE FORM

Appendix F-461A and B will be used to accomplish the action which prompted the inquiry.

6. FLOWCHART

Flowchart not required.
